

# MIT/HARVARD ANALYSIS SEMINAR

*Igor Rodnianski*  
*Princeton University*

*will speak on:*

*"Nonlinear wave equation and stability of Minkowski space I"*

**Date :** *Thursday, April 6, 2006*

**Time :** *2-3:30pm*

**Location:** *Science Center, Room 411*

*This is the first of two special lectures on Einstein equation. The aim is to present a fairly detailed proof for the stability of Minkowski space.*
