How the Ligne Stole Christmas

A talk by
David Yang

Abstract
Every prime down in Prime-Yville liked Christmas a lot
But the Ligne who lived just North of Prime-Yville did not!

The Ligne hated Christmas! The whole Christmas season!
Now please don’t ask why. Ramanujan knows the reason.

It could be, perhaps, that his bounds were too loose.
It could be his head wasn’t screwed on just right.

But I think the most likely reason of all
May have been his heart was 1/2 sizes too small.

Join us for a reading of this classic Christmas redemption story,
followed by a discussion of its contemporary relevance.
